Sterling Gazette.

The coal fields of Kentucky in extent equal those of Pennsylvania has. Kentucky has five times the amount of coking coal that Pennsylvania has. Kentucky has the finest coking coal district in the world. Yet these immense natural resources of Kentucky are in a great part useless, valueless, for lack of transportation facilities.—Clark County Democrat.

For years we have heard of the great hospitality of the people who inhabit the mountains of Eastern Kentucky. We have had about seven months experience with them and can say that but with few exceptions we paid about four prices for all the hogs and poultry we ever partook of at their tables.—Osborne (Ks.) Journal.

WHITE RIVER, W. T., Oct. 21, 1881.
Dr. J. C. Ayer & Co.—Gentlemen: My wife suffered for over twenty years with rheumatism in her hips and legs. On reading your almanac she positively believed that your Sarsaparilla would cure her. She has taken four bottles and is now as well as she ever was in her life. I feel it my duty to send you my sincere thanks.

C. ENGBLORN.
Is it not about time that the candidates for the Senate from this district were making their claims and aspirations known to the voters of the nine counties? The people desire to send to the Senate a good man who will be active, energetic and brainy, and reflect credit upon the district. Come up gentlemen, the announcement column is open for entries, and this paper will advocate the claims of the best without fear or favor.

Next Thursday, the 25th inst., has been set apart by President Cleveland, and coincided in by Gov. Knott, as Thanksgiving day. Our business men, Church organizations and all good Citizens owe it to the Deity and to themselves to pay due respect to the day. Let all business cease and genuine praise go up from every heart for the goodness of God manifested unto humanity during the year which has elapsed since last Thanksgiving.

A good advertisement in a newspaper pays no fare on railroads, costs nothing for hotel bills, gives away no boxes of cigars to customers or merino dresses to customers' wives, drinks no whiskey under the head of traveling expenses, but goes at once and all the time about its business free of expenses. It may be that all who advertise do not get rich, but one thing is sure, those doing business who do not advertise were never known to make much money.—Ashland Independent.

The fight has begun for the Postmaster ship in this city. Mrs. Wyatt's commission will expire in February, and her husband, L. B. Wyatt, and Capt. G. M. Coleman are applicants for the place, and their petitions are being circulated among the dear people for their signatures. They are both our friends and either would fill the office acceptably to the people. We trust no bitterness will be engendered by the contest, but that the defeated applicant will submit with good grace to the will of the powers that be.—Mt. Sterling Gazette.

BREATHITT COUNTY.
JACKSON, Nov. 20.—At the close of the exercises of the Literary club last Friday night Floyd Hagens, teacher of the public school, read the grades of the students in each of the classes, for the past two months, and pinned a blue ribbon on the one in each class that had the highest grade. The occasion was very interesting, especially to the children. The grades were generally good, and the contest in several instances was very close. Miss Katie Patrick received the premium in 4 classes; Miss Sallie Patrick in 8; John Wilson in 1; Miss Mollie Combs in 1; Miss Lizzie Bryant in 1; Miss Julia McGuire in 1; Miss Mattie Sewell in 1; Miss Lucy Sewell in 1; Miss Margaret McCarty in 1; Miss Dora Snowden in 1; Billie Sewell in 1 and Ben Hargis in 1. Mr. Hagens an excellent teacher, is doing faithful work and is succeeding in spite of the unfavorable surroundings.

Rev. T. S. Hubert called a very interesting meeting on Cane creek last week, after protrating about ten days. There were 26 confessions and 16 additions to the church. A large number of the converts lead in public prayer. A prayer meeting was established to meet on Thursday night of each week. Last Saturday, 14th inst., those who joined the church were baptized, some by effusion and some by immersion. Rev. H. C. Roberts assisted in the meeting.

WOLFE COUNTY.
CAMPTON, Nov. 19.—Wm Combs, of Stanton, Powell county, who has entered upon his 34th year as jailer of Powell county, was with us on the 11th inst. looking after the the interest of the Kentucky Union railroad.

He stopped with S. S. Combs and while there told him that the graded road from Campton to the Powell county line is one of the best graded dirt roads that he ever traveled over. Mr. Combs is an old man and has had considerable experience in business, and no doubt knows a good road when he travels upon it. Why not have a road that a wagon can be driven over in safety from this place to the town of Hazel Green—the so called metropolis and center of gravitation of the mountains of Eastern Kentucky? and also the home of our county judge, who is the ablest judge that ever graced the bench. He dispatches business to the satisfaction of almost every person who has business in his court.

Rev. David H. Mariman and Miss Mollie Mariman, his daughter, and Miss Mattie Hesell, of College Hill, Ky., began a meeting at this place on the 17th inst. Miss Mollie is the first woman I ever saw go into the pulpit and take a subject and preach from it. Your correspondent has had the pleasure of hearing her three times since the meeting began. Her prayers for and entreaties to the sinner to turn from his erring ways has caused many of them to shed tears, and to ask an interest in the prayers of God's people. Bro. Mariman is an able preacher, and presents the Gospel to his audience in a plain and forcible manner.

Mrs. S. S. Combs, of this place, received a letter from Mollie Swango, of Charleston, Ill., stating that Mrs. Newton Swango had been low with neuralgia of the stomach, and that Newton Swango had had the second attack of neuralgia of the heart.

Mrs. Fannie Hainline, of Lamont, Mo., who was out on a visit a short time ago to see her people, writes that she has arrived at home safely and found all well at home, and that she enjoyed her trip splendidly.

J. M. Rose, the superintendent of common schools, has made arrangements with David Hogg, the county clerk, to receive school reports at his office in Campton.

The quarterly meeting begins at this place tomorrow, Rev. D. G. B. Demarie presiding elder.

TILL
MENIFEE COUNTY.

FRENCHBURG, Nov. 19.—J. F. Greer has a new dwelling about completed, and will move into it in a few days. He did the proper thing in buying his stairway from G. T. Center, patronizing home industries. T. J. Swinham has been two weeks putting it up, and it is a nice one, fully equal to city work.

Wm. Lawson and Pen Morrison got into a friendly tussle at Rothwell last Saturday which ended in a fight, Lawson receiving a severe stab in the arm, and Morrison getting his face badly bruised.

Three weddings yesterday: Joseph Spencer to Mrs. Mark Miller, at the circuit clerk's office, Judge Byrne officiating; Jeff Oakley to Miss Delilah Childers, at J. W. Childers' Wm. Suiter to Miss Zarilda Day, at J. C. Day's, Rev. J. M. Adams officiating.

Robert Chambers was considerably bruised by a saw log rolling over him Tuesday morning.

It is a little too cold for fishing and our sportsmen have taken to bear hunting.

Dr. Moore has taken the place of J. F. Osborn in Mr. Greer's store.

J. F. Osborn has gone to housekeeping. Whooping cough is about over.

MORGAN COUNTY.
MATYONS, Nov. 19.—The Matyons school closed on Tuesday last, Miss Rosa Lee Kash, of Hazel Green, teacher. She is well liked by both patrons and scholars. She had a good attendance all through her school, and gave a nice exhibition on the last day. The scholars acquitted themselves with credit.

Nice speeches and essays were the order of the day. We all regret to give Miss Rosa up as she is a favorite here.

Married.—On the 18th inst., at the residence of the bride's father, on Long Branch, Miss Lida Childers and J. D. Oakley, of Ezell. Attendants, John Oakley and Miss Corn Childers, Rev. John Wilson officiating. May peace and happiness follow them through life.

Our town is on a high boom in the way of building. We are to have another nice church house in the near future.

CALVERT'S LITTLE LIVER PILLS

ARE NOT RECOMMENDED TO

NOR DO

They Insure a prize in a Lottery!

But, if you are Dizzy, have Cold Feet, have a taste in your mouth like "somethin' rotten" or a breath that would make your best friend "hold you off" to prevent too close contact—feel irritable—thick-headed and "no account" generally—just settle it that your LIVER is inactive, and try these Little Sugar Coated Pellets. This is an advanced age, and the time for Pills of the Hen Egg pattern must go. Concentration is the order of this day. CALVERT'S LIVER PILLS are vegetable remedies ENTIRELY, and in the most concentrated form—any Physician may have the formula by addressing

B.A. FAHNESTOCK'S
VERMIFUGE

ESTABLISHED 1842. It is now nearly sixty years since this medicine was offered as a remedy for Worms, and from that time its reputation has steadily increased until at the present day it is almost universally acknowledged throughout nearly all sections of the world to be the most effective remedy. Worm Confections, made more for the purpose of pleasing the palate than of overcoming the disease, have been manufactured all over the country, but their shortness of life is nearly exhausted, and B. A. Fahnestock's Vermifuge continues to grow in favor daily. Children often look pale and sickly from no other cause than worms, and worms are most frequently the result of those hidden sources and causes. When they are irritable and feverish, sometimes craving food and eating voraciously, again refusing wholesome diet, tossing restlessly in sleep, moaning and grinding the teeth, then be assured these symptoms are indications of worms.

Many a helpless child has been laid in the grave, when the disease which caused its death has been entirely misinterpreted, and when worms have really been the cause. It has been proved beyond all doubt that worms exist in the human system from earliest infancy, therefore parents—especially mothers who are more constantly with their children, cannot be too observing of the first symptoms of worms, for as surely as they exist, they can be safely and speedily removed from the most delicate system by the timely use of B. A. Fahnestock's Vermifuge. Physicians do not hesitate to recommend it and use it in their practice, and many of the most eminent of the profession, from all parts of the country, testify to its uniform success. In fact, it never fails. It has frequently been given to children as a safe purgative, not supposing the cause of the illness, and large quantities of worms were discharged and immediate relief afforded. Great caution must be used for every purchase to be his own judge in one sense, and to examine every bottle he buys of it. The simple name of Fahnestock is not sufficient. He must look closely and carefully to see that the initials are B. A. Fahnestock, and be satisfied with nothing else.

NEW FRANKLIN, HOWARD CO., MO.
Messrs. J. E. Schwartz & Co., Pittsburg, Pa.
Gentlemen: I have used some of that most excellent remedy, B. A. Fahnestock's Vermifuge, and found it to have the desired effect. I think your vermifuge can be safely dispensed with in any family.

Yours, &c., J. W. HILSHORN, M. D.
